### About Kedrion

Kedrion is a leading biopharmaceutical company that specializes in the development, production and distribution of plasma-derived therapeutic products for use in treating serious diseases, disorders and conditions such as immune system deficiencies and coagulation disorders.

The Company operates through a fully integrated business model from the collection of plasma in its own centers in the United States and Hungary to fractionation and production in its manufacturing facilities located in Italy, Hungary and the United States.

Headquartered in Castelvécchio Pascoli (Italy), Kedrion has over 2,500 employees and a commercial presence in approximately 100 countries worldwide.

Kedrion places a high value on the welfare of those who benefit from its products, as well as on the people and the communities it serves.
